

Coaching and Leadership  
International Inc.

Dear Andrea,

Your commitment to create a more loving planet is very special indeed. Thank you for working together with CLI for this noble purpose.

We invite you to continue to invest your time, energy and resources to do both business and life coaching as often as you can.

Keep going! You are making a HUGE difference to the planet.

Your Clients are happier, healthier, more productive and more compassionate. You must be very pleased with their results.

Thank you for your dedication.

Prosperity belongs to you

May God bless you with a prosperous and peaceful future,
